

# ALL-MEDIA TECHNOLOGY INTEGRATION (M) SDN BHD

## POSITION: INFRASTRUCTURE PROJECT MANAGER

We are an established ICT solution and services provider. We undertake to study, define, design, develop, test, implement and maintaining of cross platform ICT solutions.

### Application experience

- Define, document and execute medium to large scale IT infrastructure projects and actively participate in all phases of the project
- Identify, assess and manage risks and constraints to the success of the project with manpower budget exceeding USD250K
- Estimate cost, timescales and resource requirements for the successful completion of each project.
- Prepare, maintain and effectively track project, quality and risk plans
- Manage the change control procedure by gaining agreement for revisions to the project from project sponsors
- Provide effective leadership to the project team and ensure that team members are motivated and developing their skills and experience

### Requirements:

- Degree in IT or equivalent and PMI certification would be advantageous
- At least **8** years' working experience in IT infrastructure either in a systems and/or network environment with minimum 3 years' of project leading experience
- Experienced in preparing business proposals, establishing project cost and timeline as well as managing project risk
- Able to analyse, diagnose, design, plan, execute and evaluate work to time, cost and quality targets, exhibiting thorough familiarity with available methods, procedures, tools, equipment and standards associated with own area of specialisation and making correct choices from alternatives
- Must be process and project management methodology oriented and willing to adhere strictly to company's global methodology
- Able to work under broad direction but is a self-motivated individual who is able to work independently. Has technical responsibility and accountability for work performed and decisions taken

Must possess excellent interpersonal skills as well as a strong command of the English language, both verbal and written.
